Interiors. Contemporary living collection

Interiors

Interiors di Ivano Redaelli: elementi d'arredo per un total style esclusivo. Dal giorno alla notte, componenti per un'ideale di casa che riflette il glamour e le suggestioni di Ivano Redaelli in ogni ambiente: letti, imbottiti, sedute, contenitori, complementi, plaid e cuscini. Una filosofia che non può che partire dai sensi per ritrovare l'individuo: tessuti preziosi come cachemire, pelliccie, camosci. Tappeti e coordinati tessili, anche per la tavola e il bagno. Un range di sensazioni che finalmente nega il primato dell'occhio: un mondo privato, da immaginare e progettare in ogni sua componente. Particolari unici, dettagli sartoriali, materiali sorprendenti. Con Interiors, Ivano Redaelli dà forma ad un lifestyle mai effimero, che pone essenzialità, rigore e pienezza dell'esperienza sensuale in una continuità fuori dal tempo, sempre attuale.

Interiors by Ivano Redaelli: fittings for an exclusive total style. From day to night, components for an ideal of home that reflects, in each room, the glamour and fascination of Ivano Redaelli: beds, sofas, seats, containers, complements, blankets, cushions. A philosophy that inevitably starts from feelings to meet the individual: precious fabrics such as cachemire, furs, chamoises. Carpets and matching linen, also for the table and bath. A range of sensations that finally denies the supremacy of the eye: a private world to imagine and plain in each of its components. Unique particulars, couture details, fabulous materials. With Interiors, Ivano Redaelli creates a lifestyle that is never ephemeral, giving essentiality, rigour and fullness to the feeling's experience in a continuity out of time, always real and actual.

Bedshape. Contemporary beds collection

Bedshape

Bedshape di Ivano Redaelli: una collezione che reinventa lo stile del dormire, recuperando l’unicità di ogni notte. Letti esclusivi, progettualmente diversi uno dall’altro, per un vero e proprio nightstyle che unisce design e varietà tessile. Dalle forme più rigorose e leggere, impreziosite da pelli e cuoio, ai volumi più corposi e avvolgenti, rivestiti in lini, bouclè, lane e cotone. Dimensioni eccezionali per isole del relax da collocare con la massima libertà, superando ogni convenzione fra zona giorno e zona notte. Una proposta completa, stilisticamente coerente, che va dai letti ai contenitori fino ai complementi e ai tappeti. Un’eccezionale varietà di coordinati tessili: copripiumoni e lenzuola in lino, cotone makò, filo scozia e jersey. Plaid, coperte, cuscini in lane pregiate, cachemire e pelliccia. Con Bedshape, Ivano Redaelli si riappropria della notte come esperienza primaria dei sensi, rendendola il luogo d’incontro fra benessere e stile personale.

Bedshape by Ivano Redaelli: a collection that makes the sleeping style new, making up for the unquity of each night. Exclusive beds, technically different one from each others, for a real nightstyle that combines design and textile variety. From the most serious and light shapes, making precious from the leathers and cuir, up to more wrapped volumes, covered with linen, bouclè, wool and cotton. Extraordinary dimensions for relax islands to place with the most freedom, exceeding limits between day and night area. A complete proposal, stylistics consistent that includes beds and containers more than fittings and carpets. A big variety of textile sets: duvet covers and sheets made of linen, cotton makò, filo di scozia and jersey. Blankets, bedspreads, cushions made of precious wools, cachemire, furs. With Bedshape, Ivano Redaelli takes possessions of the night like a primary experience of feelings, making it the meeting place between good feeling and personal style.
